Friday April 25, 2014

9:00 - 4:00

Pre-Convention Intensives

Marketing & Web Design **DJ Ehlert**
The students will learn about with website design, logos and set up an actual professional site! In addition, business flyers and cards will be shared. And let's not forget building a client base which is the secret to your business success!

Public Speaking for Entertainers **Steve Kissell**
Steve will share exciting ideas and information from presenting over 1,500 speeches and one day seminars. Participants will learn how to obtain and write humorous material, enhance presentation skills and create back of the room product. In addition, students will present for the class...be brave!
